Week of Prayer for Christian Unity 18th/25th January

During this week of prayer for Christian Unity, we pray for and strive towards the full visible unity of the Church will be changed, transformed and conformed to the likeness of Christ. The unity for which we pray may require the renewal of forms of Church life with which we are familiar. This is an exciting vision but it may fill us with some fear. The unity for which we pray is not merely a comfortable notion of friendliness and cooperation. It requires a willingness to dispense with competition between us, to open ourselves to each other, to offer gifts to and receive gifts from one another, so that we might truly enter into the new life in Christ, which is the only true victory.

There is room for every one in God's plan of salvation. Through His death and resurrection, Christ embraces all irrespective of winning or losing, 'that whoever believes in Him may have eternal life'. We too can participate in His victory. It is sufficient to believe in Jesus Christ, and we will find it easier to overcome evil with good.

Over the Week we are invited to enter more deeply in to our faith that we will all be changed through the victory of our Lord Jesus Christ. We begin by contemplating the Christ who serves us and we continue by hoping to imitate his example in all we do and say as Christians today.
